PharmLabs hereby states that its Certificates of Analysis (COA) do not certify compliance with any federal, state, or local law or regulation, including but not limited to the 2018 Form Bill. This COA is provided solely for informational purposes and is not intended for reliance by consumers. The COA is issued for the specific product and lot number identified on this COA and do not represent any other lot, batch, or product from the client. Measurement of uncertainty is available upon request and, when legally required, has been reported on the certificate. PharmLabs makes no representation or warranty, express or implied, as to the quality, safety, or purity of the product. The client is responsible for all costs associated with the analysis and interpretation of the results. PharmLabs relies on information provided by the client regarding the identity, sampling, and chain of custody of the submitted material. PharmLabs assumes no responsibility for errors, omissions, or misrepresentations in such information. It is the sole responsibility of the client to determine and ensure the compliance of their product(s) with all applicable federal, state, and local laws and regulations. This COA may not be used in whole or in part for marketing, advertising, promotional, or labeling purposes without the prior written consent of PharmLabs. This COA is valid for the date of issuance and does not guarantee the stability or continued conforming of the tested product beyond that date. Any disputes arising out of or related to this COA shall be governed by the laws of the State of California, without regard to its conflict of laws principles.
